PERSONAL SKILLS

I also collaborate with athletic trainers, orthopedic doctors and sports doctors from Northern Italy. Since February 2012 I am the President of the Suono & Movimento Association, a non-profit project whose goal is the medical-scientific divulgation aimed at an audience of non-technical people to increase and spread medical-healthcare culture (see www.sumov.it).

I carry out information activities with exhibitions open to the public within the Physiotherapy structure for patients and colleagues since 2013.
